**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who desperately wants more competition. I subscribe to Sonic (which uses UNEs) and receive broadband service -- do not allow the incumbent carriers to further stifle competition with competitors like Sonic. Even in Silicon Valley, where I live, the options are extremely limited. Please do not do anything that will result in price hikes that will increase the cost of internet or telephony services or hamper competition.
